NOW OPEN! Hopewell Junction Micro Branch

We are pleased to announce the opening of the new USALLIANCE micro branch in Hopewell Junction, NY. What's exactly is a micro branch? Essentially this is a reconfigured version of a traditional branch that houses a 24/7 ATM for routine transactions such as cash deposits and withdrawals while a staffed Account Center is available to help with new memberships and loan applications. The beauty of the micro branch lies in its efficiency – blending automated and personal service to create the kind of experience that members have told us that they want and need. It is important to note that the micro branch does not support shared branching transaction requests.

Address: 2531 Route 52, Hopewell Junction, NY 12533
ATM: Available 24/7
Account Center hours: Monday through Friday 8:30am to 5:00pm
