

To view your account details you will need the appropriate credentials to login to your account.

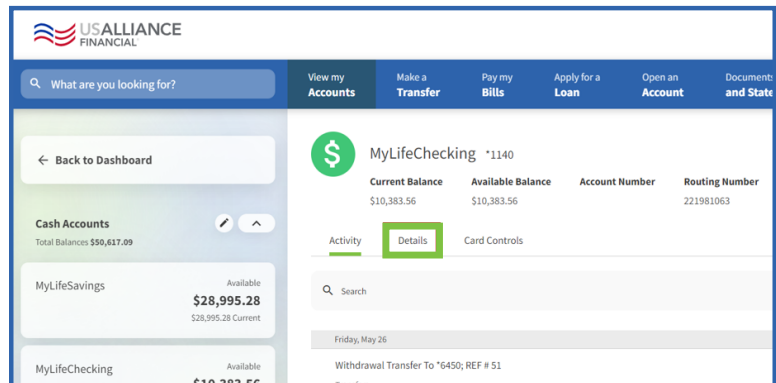

### Step 1:

Start by clicking an account from the **Dashboard** in the left side bar.

### Step 2:

Once the account activity page has populated, select **Details**.

### Step 3:

The following details will be displayed regarding the selected account:

- **Account Number**
- **Routing Number**
- **Joint Owners and Beneficiaries**
- **Description of account**
- **Opened On date**
- **Account Nickname**
- **Additional information based on account type**
