

A MESSAGE FROM USALLIANCE REGARDING CORONAVIRUS (COVID-19)

USALLIANCE is actively monitoring all public health guidance regarding the Coronavirus (COVID-19) and we will respond as necessary to support the communities we serve.

What **USALLIANCE** is doing:

- Our branches and office locations are being cleaned thoroughly every day and our cleaning team is also taking extra precautions wiping surfaces
- We are actively communicating with our staff to keep them informed, as the health and well-being of our members, as well as our employees, is very important to us
- We are taking steps to test and use alternate work sites to insure resilient continuity in operations
- All **USALLIANCE** team members have been educated on preventative actions they can take (hand washing, cough and respiratory etiquette, etc.)
- We are monitoring all team member overseas travel
- In-branch coffee is temporarily unavailable

What our members can do:

- Wash your hands often with soap and water for at least 20 seconds (if soap is not available, use an alcohol-based hand sanitizer)
- Avoid touching your eyes, nose, and mouth with unwashed hands
- Avoid close contact with people who are sick
- Stay home if you are not feeling well
- Cover your mouth and nose with a tissue when you cough or sneeze, then throw the tissue in the trash, and wash your hands

For more updates and tips on what precautions you should take, please follow:

- The Centers for Disease Control and Prevention (CDC)
- World Health Organization (WHO)

Stay connected to your accounts with **USALLIANCE** Online and Mobile Banking

- Our online and mobile banking platforms help you handle your banking needs anywhere, anytime
- Check balances, transfer funds, deposit checks, make payments, and more

If you have any questions, please call our Member Services Team:
